Dear Mr. Thompson

Thank you very much for your letter of 30th ult. and for the interesting enclosures. I am afraid that I have no information to give you about the Mr. Wallace mentioned in the letter from Mr. Lorie. I am sending the letter on to him, however, in case he can throw any light on the matter.

Yours sincerely

My Dear Sir,

I thank you for your kind D.O. dated yesterday. I have not the slightest objection to the arrangements proposed by the Executive Secy.

I beg to add for the information of the Secy that the accounts of the Library are always kept separately and they are not mixed together with those items. What is the reason that in the monthly statement of accounts, this extract is never put down. Are the Mandram and the Library

There is a Committee, but the working of the Institution being one which has fallen to my single lot, as its founder, no members of the Committee likes to undertake any responsibility, as he is afraid that the thing may touch his pocket the

Municipal Board has already two of its Commissioners on the Committee as Ex officio Members. They occasionally come and visit the Library.

I have the honor to remain,
